1. Nature of Activities

5N Plus Inc. ("5N+" or the "Company") is a Canadian-based international company. 5N+ is a global producer of specialty semiconductors and performance materials. The Company's ultra-pure materials often form the core element of its customer products. These customers rely on 5N+'s products to enable performance and sustainability in their own products. 5N+ deploys a range of proprietary and proven technologies to develop and manufacture its products. The Company's products enable various applications in a number of key industries including renewable energy, security, space, pharmaceutical, medical imaging and industrial. The Company is headquartered at 4385 Garand Street, Montreal, Quebec (Canada) H4R 2B4. The Company operates R&D, manufacturing and commercial centers in strategically located facilities around the world including Europe, North America and Asia. The Company's shares are listed on the Toronto Stock Exchange ("TSX"). 5N+ and its subsidiaries represent the "Company" mentioned throughout these consolidated financial statements. The Company has two reportable business segments, namely Specialty Semiconductors and Performance Materials.

These condensed interim consolidated financial statements were approved by the Board of Directors on November 2, 2026.

2. Basis of Presentation

These condensed interim consolidated financial statements have been prepared in accordance with International Financial Reporting Standards as issued by the International Accounting Standards Board ("IFRS Accounting Standards") and as applicable to the preparation of interim financial statements, including IAS 34, "Interim Financial Reporting". These condensed interim consolidated financial statements should be read in conjunction with the annual consolidated financial statements for the year ended December 31, 2025, which have been prepared in accordance with IFRS Accounting Standards.

The preparation of consolidated financial statements in accordance with IFRS Accounting Standards requires the use of certain critical accounting estimates. It also requires management to exercise judgment in applying the Company's accounting policies. The accounting policies followed in these unaudited condensed interim financial statements are consistent with those of the previous financial year, with the additional policy described below.

The functional and presentation currency of the Company is the United States dollar.

Income taxes

Taxes on income in interim periods are accrued using the tax rate that would be applicable to expected total annual earnings.

Adoption of new accounting standards

IFRS 9 and IFRS 7 – Financial Instruments
Effective January 1, 2026, the Company adopted amendments to IFRS 7 and IFRS 9, retrospectively. In applying these amendments, the Company has determined it is eligible for, and has taken, the optional exception to account for Electronic Fund Transfer payments on the date of initiation, rather than the date of settlement. As a result, the adoption of these amendments did not have an impact on the interim condensed consolidated financial statements.

Future Changes in accounting policies

The following standard has been issued but not yet effective:

IFRS 18 – Presentation and Disclosure in the Financial Statements
In April 2024, the IASB issued IFRS 18 as a replacement to *IAS 1 Presentation of Financial Statements*. The new standard includes a prescribed structure for the Statement of Earnings, disclosure requirements for management-defined performance measures and guidance on the aggregation and disaggregation of financial information. The standard is effective for annual reporting periods beginning on or after January 1, 2027. The Company is currently evaluating the impact of the amendments on its consolidated financial statements.
